

# CULPEPER SURGERY CENTER

## ***The Only 5 Star Facility In Town!!!***

We have been recognized as an outstanding Ambulatory Center by our patients as rated by Avatar the 1st Nationally Standardized Database for Patient Surveys on Consumer Assessment of Health Providers and Systems

*The Culpeper Surgery Center is a State of the Art Facility that provides the highest quality of Outpatient Surgical Services to the Community in the most aesthetically pleasing environment.*

### **So what do our patients really say about us, that . . .**

*We provide the Highest Standard of Patient Care across multiple service lines—some of these being*

**Patient Satisfaction, Patient Experience, Patient Safety, Nursing Care, Physician Care, General Care, General Reputation, Environment, Post Operative follow up, and above all, Patient Expectation.**

This is truly a remarkable accomplishment indicative of our Organizational Commitment to Service Excellence.

When scheduling your next Procedure or Surgery, ask your Doctor for a 5 star Treatment at our Facility.
